

### **Contracted Trainer**

Wilkes Partnership for Children is accepting resumes for professionals that are interesting in providing training for early childhood professionals. Those submitting resumes should have a 4 year degree from a University, preferably a degree in early childhood, child development or psychology. The training topics consist of early childhood issues such as social and emotional, nutrition, outdoor play environments, and activities for children as well as director related training topics. If interested in training for the Wilkes Partnership please submit a resume and we will contact you for an interview.
